

AN ALTERNATIVE TO CASH FOR THOSE AGED 7 TO 18

For our younger passengers between 7 and 18 years we offer a clever alternative. Their parents may apply for a **Mastercard® Basis (debit card)** for their children. This can be obtained at Sparkasse Chemnitz, irrespective of your main bank. It can be charged conveniently via online banking. So you keep full control of your costs. The card is charged with a one-time bonus of 10 euros. Further information is available at Sparkasse Chemnitz under spk-chemnitz.de.
